In Case of an Emergency

Southlake Counseling and Consulting
Southlake Center for Self Discovery

Southlake Counseling and Consulting and The Southlake Center For Self Discovery is not a medical facility. Therefore, we only admit participants that are physically safe. For this reason, we ask that you see a physician for blood work (Biochemical Profile and CBC) and that you consent to the following policy. During treatment, some patients have suicidal, self-harm or homicidal thoughts. These generally pass within hours or days if discussed in sessions. You may call the Center at any time during working hours and leave a message for your primary therapist who will make every effort to call you back before the end of the day. If you have an emergency after hours (5:30 pm- 9:30 am) or on the weekend, you may leave a message with your therapist at 704-896-7776.

Please read the following contract, which is required of all individuals being treated on an outpatient basis at Southlake Counseling and Consulting and The Southlake Center For Self Discovery:

1. I promise to talk with my individual therapist if I should have any thoughts of harming myself or someone else. I understand that for some individuals, these thoughts may be a natural part of the therapy process and are likely to pass if I talk about them.
2. I understand that the ultimate responsibility for my health and therapy is my own. Therefore, I agree to give my therapist 48 hours to respond to my call. In the interim, I may phone a hotline for support or go to an emergency room if unable to keep myself safe.

I have read and understand the emergency policies and promise to abide by them.

Insurance and Financial Policies

**Southlake Counseling and Consulting
Southlake Center for Self Discovery**

Health insurance is a contract between you, your employer and your health insurance company. Each policy has different rules regarding which services are allowed, deductible amounts, how you are charged, where lab work is sent, etc. You are responsible for knowing the terms of your health contract benefits. We need all of the information on the attached demographics sheet as well as a copy of your insurance card (s). Be sure to give us your primary AND secondary cards if applicable. If the time frame of submission of a claim lapses due to incorrect information, you are responsible for those fees.

Prior approval is required for most mental health treatment. You are responsible for getting the initial authorization number. If you have it, and have not already called it in to us, please provide it to the receptionist. If not, we will ask that you use our phone to get that number PRIOR to being seen. Additionally, some policies require that your Primary Care Physician refer you to us. We must have such referral in hand before we can proceed. **YOUR FAILURE TO OBTAIN THE PROPER REFERRAL OR INITIAL AUTHORIZATION WILL MAKE YOU FULLY RESPONSIBLE FOR OUR FEES.** You may be limited by your policy in the number of mental health visits per year allowed or you may have a dollar limit.

At the time of service, deductible, copayments and/or your percentage of fees are payable. Any balance due after your insurance company pays or denies your claim is payable **BY YOU** when billed.

If we have to use an outside agency to collect the balance on your account or obtain current address, insurance information, etc., an administrative fee will be billed to your account.

1. Telephone calls to clinicians may be subject to a \$35 minimum charge.
2. Pharmacy call-ins may be subject to a \$10 charge, if authorized by your psychiatrist.
3. Processing time/paperwork with your insurance to obtain non-formulary medication authorization is subject up to a \$35 charge.
4. Form letters, reports, etc. are subject to a \$25 administrative charge.
5. Missed appointments not cancelled 24 hours in advance will be charged to you AT FULL FEE even if you did not receive a reminder call.
6. Payment is due at the time of service, unpaid fees/co-payments will be assessed a \$3.00 surcharge.
7. Any involvement in court procedures, depositions, or testimonies are billed at \$250.00 an hour.
8. Any service provided by *Southlake Counseling and Consulting* or *Southlake Center For Self Discovery* is non-refundable
9. Receipts will be provided free of charge one time for each visit. Any receipts requested more than once will be provided at the cost \$0.20 per page.

Please remember YOU, not your doctor, are the policyholder. If your insurance fails to pay on a timely basis, (within 60 days), we will send you a statement of account notifying you that your claim is unpaid, at which time you/your employer must assist in pursuing your benefits.

Your signature below indicates that you fully approve and understand the above.

Parental Agreement for Confidentiality of Adolescent Sessions

Dear Parent or Guardian,

A young person is more likely to disclose sensitive information to a counselor of he or she is provided with confidential services and has time alone with counselor to discuss his or her issues. The most practical reason for clinicians to grant confidentiality to an adolescent client is to facilitate accurate and appropriate treatment.

Experienced clinicians recognize that candid and complete information can be gathered only by speaking with the adolescent patient alone and by clarifying with whom the information will be shared. If an assurance of confidentiality is not extended, this may create an obstacle to the safe environment of the counseling relationship.

Some areas of teenage health that we may talk about during the appointment are:

- Diet, exercise, and body image
- Fighting, danger, and violence
- Sexuality and sexual behavior
- Safety driving
- Smoking, drugs, and alcohol
- Working/Jobs
- Depression and stress
- Peer pressure and school
- Relationships
- Family Life

I encourage teenagers to share information about their emotional and mental health with their parents or guardians. However, there will be some things that your teenage son or daughter would rather talk about exclusively with a counselor.

Work with an adolescent is generally more productive if parents voluntarily agree not to request information about the adolescent’s private session. I ask your permission to keep what is discussed in our sessions confidential. “Confidential” means I will only share information with you if your teenage son or daughter says it’s alright. The counselor agrees to share with the parent(s) any information which is necessary for the safety of the adolescent.

I agree that the therapist will determine that information, in his or her professional judgment, is appropriate to be shared with the parent/guardian(s) concerning treatment issues, and what information, in discretion of the therapist will remain confidential between my adolescent child and the therapist.
